Injured at Work?

If an employee has sustained a work related injury that is not life, limb or eyesight threatening tell your supervisor right away and call:

1-844-871-8630

Medcor is a 24/7 line staffed by nurses who are able to assess the injured employee and determine next treatment steps. You can get help while on the phone with the nurse.

Managers: When notified of a work place injury, have the employee contact the nurse at the above number, then notify HR of the injury.

Employees: If you are injured at work, call your supervisor, then call the nurse at the number above. Follow the instructions for receiving treatment. Notify HR of the injury.
